

CREW LETTER

Letter to the pilots and crew chief of: N66977	
From:	Date: / /

- Crew chief notified**
- Question
- Item unusable
- Intermittent
- Special fuel or oil request
- Suggestion
- Needs attention soon
- Placarded i/a/w FAR 91.213(d)

Notes:

- 1) Please discuss only one item per page.
- 2) Crew Letters generally are not part of the aircraft's permanent records.
- 3) In most cases, reporting a squawk does not require an entry in the aircraft maintenance records. However, in many cases, the maintenance that resolves a squawk will require an entry. Submit a letter if you like, but do not think of it as a substitute for the required entry. See FAR 43.9(a).

<input type="checkbox"/> Resolved by preventive maintenance (FAR 43 Appendix A)	See maintenance records.
<input type="checkbox"/> Resolved by shop maintenance.	Date: / / /

<input type="checkbox"/> Resolved without maintenance.	Date: / / /
